For the world, Agra means the city of Taj Mahal but for Indians, Agra holds significant importance in Hindu mythology and religious traditions. While Mathura is associated with Lord Krishna's birth, Agra and its surrounding areas are also part of the Braj region where Lord Krishna spent his childhood. Blind devotional poet Surdas, proof of spiritual vision surpasses physical, made his legacy Sursagar, a timeless echo of devotion in the very soil of Braj. Agra has been a beacon of learning and knowledge dissemination for centuries. The city's educational journey witnessed a transformative phase in the last two centuries with the establishment of notable institutions. The founders of Sharda Corporation, with their deep-rooted connection to Agra, embarked on a mission in 1996 to rejuvenate the city's reputation as a centre of educational excellence. Through the establishment of high-quality institutions in Agra and Mathura region, they have successfully created new centres of excellence in education, research and training. In 2009, Sharda University was established in Greater Noida, offering 135+ globally recognized programmes. Going global, Sharda Corporation established the first off shore campus of Sharda University in Uzbekistan in the Andijan region in 2019. Carrying forward the rich legacy of world-class education, Sharda Corporation has established Sharda University Agra, in year 2024, which has been approved by the State Govt. through an Act of the State Legislature of Uttar Pradesh (12 of 2019). Sharda University Agra is envisioned to make Agra the global hot spot for learning, research, innovation and entrepreneurship.

30+ YEARS

of illustrious legacy

Founded in 1995,

The Sharda Corporation is a multi-million-dollar conglomerate driven by a vision to create a transformative impact on society through its diverse and dynamic business operations. Over the years, the Corporation has emerged as a trailblazer across industries, establishing its presence in education, healthcare, information technology, startups, engineering equipment, construction, biotechnology, hospitality, and skill development.

Today, the Sharda Corporation directly impacts the lives of over 15 million people in India and Uzbekistan. This influence is set to grow exponentially, as the Corporation actively explores opportunities to expand its footprint into other CIS countries and Africa, striving to bring its vision of transformation to more regions around the globe.

With five campuses and 40 offices spread across 300 acres, Sharda Corporation is proud to shape the dreams of 26000+ students from 95+ countries. A journey that started with establishing North India's first engineering colleges in Agra & Mathura took a bigger shape when the Sharda University campuses in Greater Noida, Agra and Andijan, Uzbekistan were set up.

JAIN

SHARDA UNIVERSITY WAS HONOURED BY THE VISIT OF
REVERED JAIN SPIRITUAL LEADER, PUNJAB KESARI
ACHARYA SHRIMAD VIJAY NITYANAND SURISHWARJI MAHARAJ

The synergy of Jain Ideology : 'Bhakti' meets 'Sadharmik'. The joining of these words is unique to Jain philosophy, recognizing all beings as possessing the same eternal soul, striving towards liberation.

An Integral part of Jain Tradition, A duty of helping fellow members of the Jain community not just by donations, but by facilitating their spiritual progress towards liberation.

Importance of Sadharmik Bhakti : An important duty of every Jain follower, upholding the interconnectedness of humanity and facilitating each other's spiritual journey. Sadharmik Bhakti is about sharing in another's joy and sorrow, easing their path towards spiritual liberation.

The Soul of **PROGRESS**

The Spirit of **SHARDA**

From humble beginnings to global presence, the Sharda Group logo has come to stand for something deeper than a brand. It stands for belief-in people, possibility and purpose. It represents a group that dared to dream beyond boundaries.

That built not just institutions, but ecosystems. In education, it lights up classrooms from Greater Noida to Uzbekistan. In healthcare, it reflects the promise of compassion wrapped in cutting-edge care. In innovation it fuels startups, tech, and transformation.

This mark is a covenant. A quiet vow etched into every endeavor-to be honest in intent, inclusive in growth, and relentless in the pursuit of excellence. It is rooted in timeless Indian values. And yet, it rises with a vision that's bold, global, and future-facing.

This is the spirit of Sharda.
