International Conference on Digital Transformation in Pharmacy Successfully Concluded at Sharda University Agra

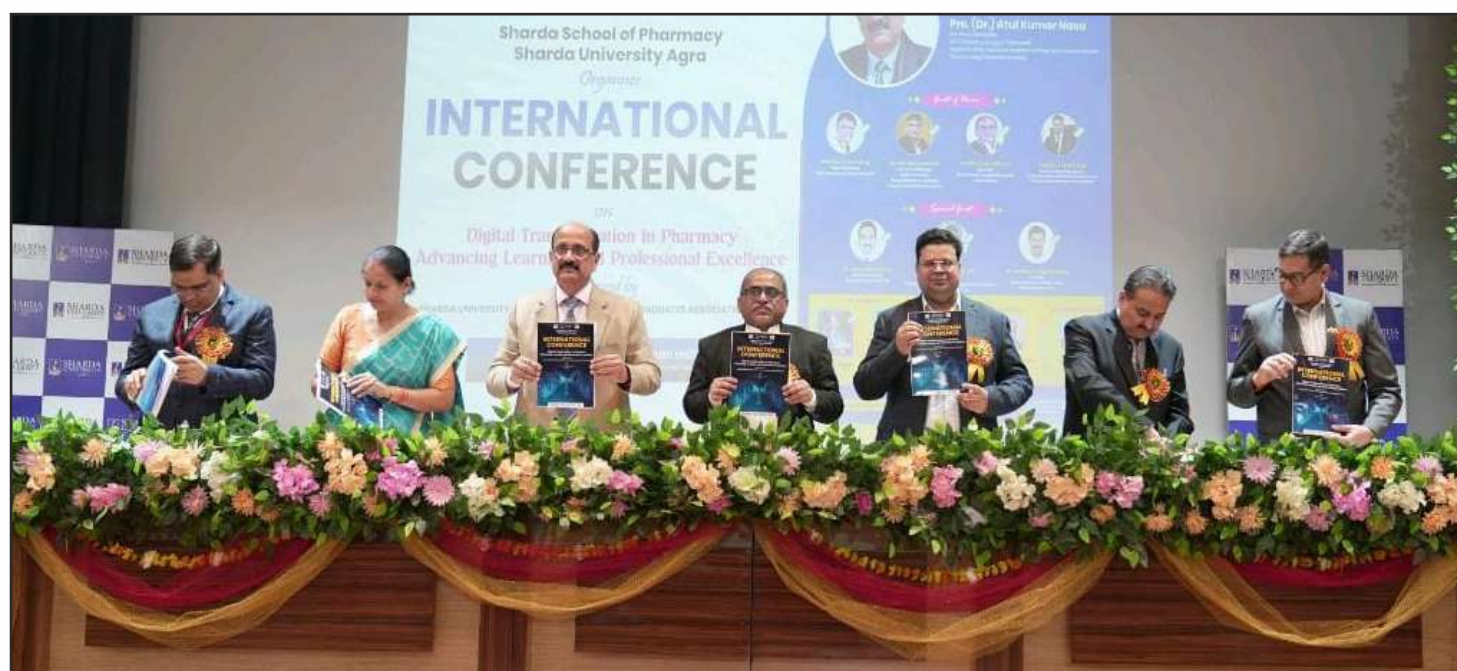

The Sharda School of Pharmacy, Sharda University Agra, successfully organized the inaugural day of the two-days International Conference on “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” on February 14, 2026 at Raman Hall, Sharda University Agra. The conference was held in hybrid mode and sponsored by Sharda University Agra and the Indian Pharmacy Graduates' Association (IPGA).

The event was conducted under the guidance and encouragement of Hon'ble Vice-Chancellor **Prof. (Dr.) Jayanthi Ranjan** and Registrar **Prof. (Dr.) Sanjay Mishra**, and under the leadership of **Prof. (Dr.) Gyanendra Kumar Sharma**, Dean, Sharda School of Pharmacy.

The inaugural session was graced by the Chief Guest **Prof. (Dr.) Atul Kumar Nasa**, Pro Vice-Chancellor, SGT University, Gurugram (Haryana), who highlighted the importance of digital technologies, artificial intelligence, and data-driven education in strengthening pharmaceutical learning and healthcare services.

The Guests of Honor included **Prof. (Dr.) Vijay Bhalla**, Dean (IQAC), SGT University, Gurugram (Haryana); and **Prof. (Dr.) Akash Ved**, Associate Dean (Pharmacy), Dr. APJ Abdul Kalam Technical University, Lucknow.

The Special Guests were **Dr. Devender Pathak**, Emeritus Professor, MVN University; **Prof. (Dr.) Pranay Wal**, Director, Pranveer Singh Institute of Technology (Pharmacy), Kanpur and Vice-President (UP), IPGA; and **Dr. Jeyabalan Govidasamy**, Principal, Alwar Pharmacy College. The conference was organized under the patronage of **Shri P.K. Gupta**, Chancellor, and **Shri Y.K. Gupta**, Pro-Chancellor, Sharda University Agra. **Dr. Vikash Sharma**, Assistant Professor, Sharda School of Pharmacy, served as the Organizing Secretary, supported by Joint Organizing Secretaries **Dr. Gurvinder Pal Singh**, **Ms. Ashni Singh**, and **Mr. Anirudh Pratap Singh**.

“The pharmacist is the person who stands between the doctor's pen and the patient's grave.”

Celebrates National Science Day with Innovative Scientific Competitions

The Sharda School of Pharmacy, Sharda University Agra, enthusiastically celebrated National Science Day by organizing a series of academic and creative competitions foster scientific awareness, promote experiential learning, and encourage innovative thinking among students.

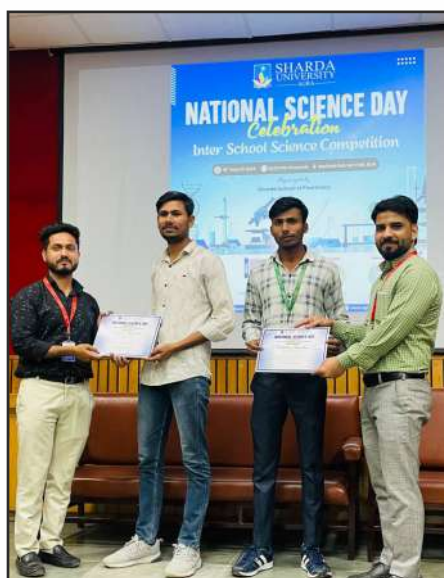

The programme was conducted under the guidance of Hon'ble Vice-Chancellor, **Prof. (Dr.) Jayanthi Ranjan**, whose continuous support towards academic excellence and scientific initiatives has strengthened the culture of research and innovation within the university. The event was held in the esteemed presence of Dean, Sharda School of Pharmacy, **Prof. (Dr.) Gyanendra Kumar Sharma**, who motivated students to actively participate in scientific activities and develop analytical and problem-solving skills essential for future professionals.

As part of the celebration, an Inter-School Science Competition was organized, providing students with an opportunity to demonstrate their scientific aptitude through presentations and innovative demonstrations.

To make science learning more engaging and relatable, several creative competitions were conducted, including a Science Meme Competition and a Science Reel Competition, where participants showcased their creativity by presenting scientific concepts through humour, digital storytelling, and short educational videos.

An exciting Science Escape Room Challenge was also organized, in which teams solved science-based puzzles in a time-bound manner, enhancing teamwork, logical reasoning, and quick decision-making abilities. In addition, interactive competitions such as Science Charades and “Explain Like I Am 10” enabled participants to simplify complex scientific concepts through gestures and easy-to-understand explanations, thereby strengthening conceptual clarity and communication skills.

The National Science Day celebration was successfully coordinated by **Ms. Gunjan Sharma and Ms. Ashini Singh**, with active support from faculty members and student volunteers.

"Where the art of medicine is loved, there is also a love of humanity."

Organized Industrial Visit to Evetouch Healthcare Pharmaceutical Pvt. Ltd*.

Sharda University continues to promote experiential learning through industry exposure by organizing an industrial visit to Evetouch Healthcare Pharmaceutical Pvt. Ltd. The visit was conducted by Sharda School of Pharmacy on March 23, 2026, aiming to provide students with practical insights into pharmaceutical manufacturing and industrial operations. The visit offered students valuable exposure to real-time pharmaceutical processes, including manufacturing operations, quality control practices, quality assurance systems, and regulatory compliance followed within the industry. It served as an important academic initiative to strengthen learning beyond the classroom and align theoretical knowledge with practical applications.

The visit was conducted under the esteemed patronage of **Prof. (Dr.) Jayanthi Ranjan**, Vice-Chancellor, Sharda University Agra. The industrial visit was conducted under the guidance of **Prof. (Dr.) Gyanendra Kumar Sharma**, Dean, SSOP, whose leadership ensured the academic significance and smooth execution of the visit.

The coordinators for the visit, **Dr. Gaurav Singh Sikarwar**, Assistant Professor, and **Ms. Ashini Singh**, Assistant Professor, efficiently managed student participation and logistics, ensuring a well-organized and enriching experience for all participants. During the visit, students had the opportunity to interact with key industry professionals, including Mr. Manvendar Singh, Chief Executive Officer, Mr. Babli, Plant Manager, and Mr. Deen Dayal, HR & Training and Placement Head. They shared valuable insights into industrial practices, production management, and career opportunities in the pharmaceutical sector. Additionally, discussions were also held regarding a potential Memorandum of Understanding (MoU) between Sharda University and Evetouch Healthcare Pharmaceutical Pvt. Ltd. to strengthen academic-industry collaboration, focusing on training, research, and placement opportunities for students.

Students of the B. Pharm and D. Pharm programs actively participated in the visit and gained first-hand exposure to industrial workflow and professional practices. This initiative reflects Sharda University's continued commitment to bridging academia with industry practices and preparing students to meet the evolving demands of the pharmaceutical sector.

"To know the nature of the drug is to know the nature of the cure."

Organized an Industrial Visit to Patanjali Research Foundation

Sharda University continues to promote experiential learning through industry exposure by organizing an industrial visit to Patanjali Research Foundation, Haridwar, Uttarakhand. The visit was conducted by Sharda School of Pharmacy on March 27, 2026, aiming to provide M. Pharm students with practical insights into advanced research and development activities in the field of herbal and pharmaceutical sciences.

The visit was conducted under the esteemed patronage of **Prof. (Dr.) Jayanthi Ranjan**, Vice-Chancellor, Sharda University Agra. The industrial visit was conducted under the guidance of **Prof. (Dr.) Gyanendra Kumar Sharma**, Dean, Sharda School of Pharmacy, whose leadership ensured the academic significance and smooth execution of the visit. The coordinators for the visit, **Dr. Gaurav Singh Sikarwar**, **Dr. Vikash Sharma**, and **Mr. Umakant Singh**, efficiently managed student participation and logistics, ensuring a well-organized and enriching experience for all participants.

During the visit, students had the opportunity to interact with key experts and professionals, including **Ms. Vedpriya**, R&D Head at Patanjali Research Foundation, **Dr. Ashwani Kumar**, Scientist, and **Dr. Prashant Katiyar**, Clinical Research Head. They shared valuable insights into research and development activities, modern analytical techniques, clinical research practices, and career opportunities in the herbal and pharmaceutical research sector. Students of the M. Pharm programme actively participated in the visit and gained first-hand exposure to advanced research facilities, industrial workflow, and professional practices in herbal and pharmaceutical sciences.

This initiative reflects Sharda University's continued commitment to bridging academia with industry practices and preparing students to meet the evolving demands of the pharmaceutical and research sectors.

FDP Attended:

- Attended 6 days online Faculty Development Program on “Professional Development of Healthcare Faculty: Teaching, Research and Ethics” conducted at East Point College of Pharmacy, Bengaluru, India from 09 February to 14 February, 2026.
- Attended 5 days online Faculty Development Program (e-FDP) on “AI in Preclinical and Clinical Research” organized by Sree Venkateswara College of Pharmacy, North Rajupalem, Nellore, India from 30 March to 03 April, 2026.

Orientation & Sensitization Programme:

- Completed the NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) Organized by Malaviya Mission Teacher Training Centre, Devi Ahilya Vishwavidyalaya, Indore (M.P) from 16th March 2026 to 25th March 2026.

Guest Lecture Delivered:

- Delivered a Guest lecture on “Targeted Drug Delivery Systems - Basic Concepts and Principles” at the National Conference on “Smart Delivery for Better Therapy” organized by the Faculty of Pharmacy, Sree Balaji Medical College & Hospital Campus (SBMCH), Bharath Institute of Higher Education & Research (BIHER), Chromepet, Chennai on 16th April 2026.

Conferences

- Scientific Committee Chair Person in the International Conference on “Digital Transformation in Pharmacy Advancing Learning and Professional Excellence” in collaboration with Indian Pharmacy Graduates Association (IPGA) held on 14th – 15th March, 2026 at Sharda School of Pharmacy, Sharda University Agra.

Dr. Manish Kumar Shakya

Conferences

- Participated in the International Conference on “Digital Transformation in Pharmacy Advancing Learning and Professional Excellence” in collaboration with Indian Pharmacy Graduates Association (IPGA) held on 14th – 15th March, 2026 at Sharda School of Pharmacy, Sharda University Agra.
- Participated in Indo-Caribbean International Conference on “Global Scenario & Trends in Artificial Intelligence and Pharmaceutical Sciences held on 10th April, 2026 at I.T.S College of Pharmacy, Murad Nagar, Ghaziabad (U.P.).

Mrs. Ashini Singh

Conference

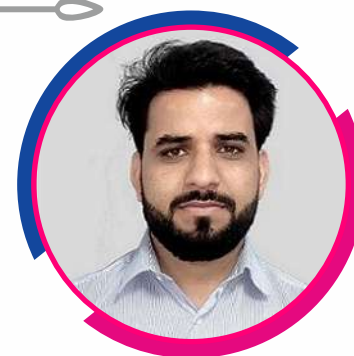

- Served as Joint Organising Secretary in the Two-Day International Conference titled “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized at Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Participated as a Delegate in the Two-Day International Conference on “3D Medicines, Biopharmaceutical Innovation and Regulatory Readiness for a Sustainable Future” organized by Department of Pharmacy, School of Medical and Allied Sciences, Galgotias University from 13 March 2026 to 14 March 2026.

Mr. Aniruddh Pratap Singh

Conference

- Joint Organising Secretary in two days International Conference on “DigitalTransformation in Pharmacy Advancing Learning and Professional Excellence” organised at Sharda School of Pharmacy, Sharda University Agra on 14th – 15th February, 2026.
- Participated as a Delegate in the two days International Conference on “3D Medicines,Biopharmaceutical Innovation and Regulatory Readiness for a Sustainable Future”organized by Department of Pharmacy School of Medical & Allied Sciences, GalgotiasUniversity Greater Noida on 13th -14th March, 2026.

Conference

- Attended Faculty Development Programme on “Design Thinking for Academic Innovation” organized by Sharda University Agra, 11th Apr. -13th Apr. 2026.
- Attended Faculty Development Programme on “Empowering Academic Leaders in the Era of Artificial Intelligence” organized by Centre for Continuing Education (CCE), IIT Mandi, in collaboration with Masai, 06th May. - 08th May. 2026.

Workshops

- Participated in One day Intellectual Property Rights (IPR) “Boudhik Sampada Sanrakshan Awareness Workshop” organised by Sharda Skill Development Centre, Sharda University Agra on 7th February, 2026.
- Participated in the IPR awareness/training program under the special initiative, "National Intellectual Property Awareness Mission (NIPAM)" of The Office of Controller General of Patents, Designs and Trade Marks (CGPDTM) organised by Intellectual Property Office at Sharda University Agra on 21/02/2026.

Webinar

- “Specialised nutrition in cancer care: empowering pharmacists to improve patient outcomes” Organised by International Pharmaceutical Federation on 05th February, 2026
- “Academic Perspectives on AI Series: Practical Examples of Integrating AI into Pharmacy Education” Organised by International Pharmaceutical Federation on 19th March, 2026
- “Impact of 3D and 4D Printing on Pharmacists and Pharmaceutical Sciences” Organised by International Pharmaceutical Federation on 31st March, 2026
- “Using data to prevent and mitigate the effects of medicines shortages” Organised by International Pharmaceutical Federation on 08th April, 2026

"He is the best physician who is the most ingenious inspirer of hope."

Mr. Saurabh Bharadwaj

Conference

- Organized the Two-Day International Conference titled “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” by Sharda School of Pharmacy, Sharda University in association with Indian Pharmacy Graduate Association, held at Raman Hall, Sharda University Agra, from 14 February 2026 to 15 February 2026.
- Presented a Poster titled “Integrating Biochemical Principles and Artificial Intelligence for Drug–Drug Interaction Prediction” in the Two-Day International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” held at Raman Hall, Sharda University from 14 February 2026 to 15 February 2026. Authors: Rishabh Bhardwaj, Sunny Kushwah, Saurabh Bhardwaj.
- Presented a Poster titled “Digital Transformation in Pharmacy: Role of Machine Learning in Drug Discovery and Development” in the Two-Day International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” held at Raman Hall, Sharda University from 14 February 2026 to 15 February 2026. Authors: Tanu Goswami, Shivangi Gupta, Saurabh Bhardwaj.
- Presented a Poster titled “From Digital Twin to Drug Dispensing: An Autonomous, Ethical, and Personalized Pharmacy Ecosystem” in the Two-Day International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” held at Raman Hall, Sharda University from 14 February 2026 to 15 February 2026. Authors: Paridhi Deshmukh, Saurabh Bhardwaj.
- Participated in the National Conference on “Modeling of Complex Systems (NCMCS 2026)” organized by Department of Research and Development, Sharda University from 12 March 2026 to 13 March 2026.

FDP

- Participated in the 9-Day Faculty Development Program on “Artificial Intelligence and Cybersecurity: A Multidisciplinary Perspective” supported by Ministry of Electronics and Information Technology (MeitY), Government of India and conducted by Electronics and ICT Academy, C-DAC Mohali in collaboration with Sharda University from 09 March 2026 to 17 March 2026.

Workshops

- Participated in a One-Day Workshop on “Boudhik Sampada Sanrakshan (IPR) Awareness Workshop” organized by Sharda Skill Development Centre, Sharda University and funded by Uttar Pradesh Council of Science and Technology, held on 07 February 2026 at Sharda University Agra.
- Participated in a One-Day IPR Awareness/Training Program conducted by Office of the Controller General of Patents, Designs and Trade Marks under the National Intellectual Property Awareness Mission (NIPAM) at Sharda School of Pharmacy, Sharda University on 13 March 2026.

"Pharmacists are the most accessible healthcare professionals."

— Lucinda Maine

Book Publication

- **Afreen N.**, Vasundhara Saxena, Harsh Rastogi, and Siddharth Dhaka. Quality Assurance. Chyren Publication. ISBN: 978-93-7143-638-0.

Book Chapter Publications

- Sridevi S., Nirenjen S., Begum R. F., **Afreen N.**, Prajapati B. G., Rushendran R., Singh S. A., 2026. Proteo-Metabolomic Approaches in CNS Drug Discovery: New Avenues for Psychiatric Disorders.

FDP

- Completed the NEP 2020 Orientation & Sensitization Programme under the Malaviya Mission Teacher Training Programme (MM-TTP) organized by Malaviya Mission Teacher Training Centre, Devi Ahilya Vishwavidyalaya and the University Grants Commission (UGC) from 16 March 2026 to 25 March 2026.

Oral and Poster Presentations

- Author/ Presentor-Oral Presentation titled “Nitrofurans as Potent Mycobacterium tuberculosis Galactofuranosyl Transferase-2 Inhibitors: QSAR and Docking Analysis” in the International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Co-Author/ Mentor- Poster titled “Role of Nutraceuticals in Prostate Cancer Prevention and Adjunctive Therapy: Mechanistic Insights and Clinical Perspectives” by Nandini Gupta, Shreyash Raj, and Afreen N in the International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Co-Author/ Mentor-- Poster titled “Pharmacogenomics (PGx): Personalized Medicine for the Future” by Vishvendra Singh Sikarwar, Dr. Gaurav Singh Sikarwar, and Afreen N in the International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Co-Author/ Mentor-- Poster titled “Artificial Intelligence–Assisted Design and Optimization of Gene Therapy–Based Liposomal Drug Delivery Systems: A Review” by Anshika and Afreen N in the International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.

“Trust your pharmacist, they have the antidote.”

— Unknown

Oral and Poster Presentations

- Co-Author/ Mentor-- Poster titled “Stimuli-Responsive Drug Delivery Systems: Advances for Precision and Personalized Medicine” by Namrata Chauhan and Afreen N in the International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Co-Author/ Mentor-- Poster titled “Magnetic Drug Delivery Systems for Targeted Thrombolytic Therapy: Recent Progress and Future Perspectives” by Tixan Narayan Singh, Dr. Gaurav Singh Sikarwar, and Afreen N in the International Conference “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.

Conferences

- Participated in the International Conference titled “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Participated in the National Conference on “Modeling of Complex Systems (NCMCS 2026)” organized by Research and Development Cell, Sharda University from 12 March 2026 to 13 March 2026.

Workshop

- Attended a One-Day Workshop on “Boudhik Sampada Sanrakshan (IPR) Awareness Workshop” organized by Sharda Skill Development Centre, Sharda University on 07 February 2026.
- Molecular Docking: From Theory to Application – 2-day online workshop by Discovery Boulevard (April 22–23, 2026).

Mr. Neeraj Madhuria

Conferences

- Participated in the International Conference titled “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Participated in the National Conference on “Modeling of Complex Systems (NCMCS 2026)” organized by Research and Development Cell, Sharda University from 12 March 2026 to 13 March 2026.

"Counseling a patient is as important as the medication itself."

— Unknown

Ms. Gunjan Sharma

Conferences

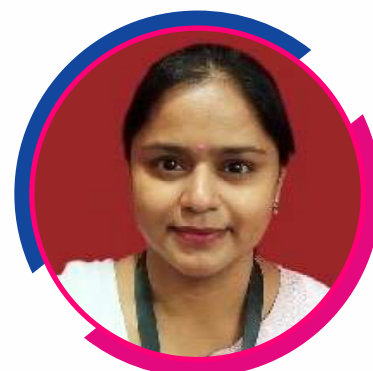

- Participated in the International Conference titled “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Participated in the National Conference on “Modeling of Complex Systems (NCMCS 2026)” organized by Research and Development Cell, Sharda University from 12 March 2026 to 13 March 2026.

Mrs. Kamini Kumari

Conferences

- Participated in the International Conference titled “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Participated in the National Conference on “Modeling of Complex Systems (NCMCS 2026)” organized by Research and Development Cell, Sharda University from 12 March 2026 to 13 March 2026.

Ms. Ashita Jain

Conferences

- Participated in the International Conference titled “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University from 14 February 2026 to 15 February 2026.
- Participated in the National Conference on “Modeling of Complex Systems (NCMCS 2026)” organized by Research and Development Cell, Sharda University from 12 March 2026 to 13 March 2026.

FDP

- Attended Six-Days online FDP titled “Excellence in Pharmaceutical Education, Research and Practice”, scheduled for 02 Mar 2026 to 07 Mar 2026 at Vel Pharmacy College, Manajankaranai, Thiruvallur.

“The label on the bottle is the pharmacist's signature on their expertise.”

FDP

- Participated in a Three-Day Faculty Development Programme on “Design Thinking for Academic Innovation” organized by Sharda Skill Development Centre, Sharda University from 11 April 2026 to 13 April 2026.

Conferences

- Participated in the International Conference titled “Digital Transformation in Pharmacy: Advancing Learning and Professional Excellence” organized by Sharda School of Pharmacy, Sharda University in association with Indian Pharmacy Graduates Association from 14 February 2026 to 15 February 2026.

Seminars

- Participated in the IP Awareness/Training Program under the National Intellectual Property Awareness Mission (NIPAM) organized by Intellectual Property Office, India on 21 February 2026.
- Participated in a One-Day Online Seminar on “Transforming Disease Detection Devices with Nanobiophotonics” organized by Department of Applied Sciences, Institute of Engineering and Technology, SAGE University on 10 February 2026.
- Participated in the digital event “Breaking into Pharmacy Writing: A Step-by-Step Guide for Aspiring Writers” organized by International Pharmaceutical Federation (FIP) on 23 March 2026.

"Coffee and Pharmacy: The perfect compound."
